

## CANARY WHARF, LONDON

**LOCATION: CANARY WHARF, LONDON**

**TYPE: WETPOUR**

### BACKGROUND

DCM Surfaces were delighted to install Wetpour onto the Roof-Top Terrace at Burdett Road in Canary Wharf, London. The affordable housing project, which rises from 7 to 11 storeys, included the development of 56 residential units, amenity space, cycle parking, and a play area on the roof terrace.

### THE PROJECT

Four colours of Wetpour was used to create a variety of graphics at various depths around the play equipment area.
