

KIDS ALLOWED, MACCLESFIELD

LOCATION: MACCLESFIELD

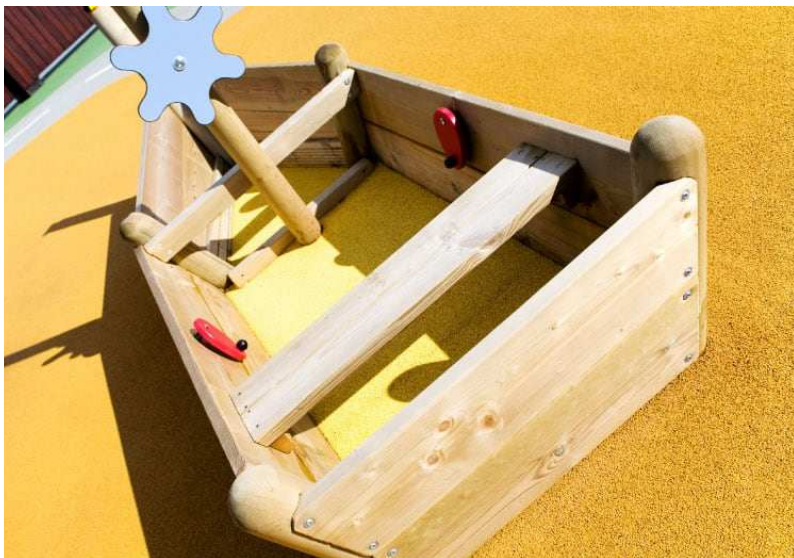

TYPE: WETPOUR

BACKGROUND

DCM were delighted to be specified for the new play area at Kids Allowed Centre in Macclesfield. The renovated hospital building was redesigned specifically to fulfil their customer's needs.

THE PROJECT

Using bright colours and adding a track to the wetpour design, made this outdoor play area an energetic, outdoor learning opportunity.

“

I have worked with DCM since 2007, during which time they have delivered soft play surfacing for three Kids Allowed roof gardens. We have been very happy with the quality of the product supplied and the service we have received during this time.

Paula Sharpe, Senior Project Manager, Kids Allowed
