

RUBBER-GRAVEL MIX GUARANTEE:

DCM Surfaces will honour the 5 year warranty on the integrity of the installed surface as follows:

The surface is guaranteed against any defects which are the direct result of faulty materials or workmanship.

DCM Surfaces will honour the 5 year warranty on the integrity of the installed surface as follows:

- It will maintain its integrity for use as a pathway or decorative surface for at least five years from the date of installation. Light shredding of dislodged rubber crumb and gravel is expected.
- In the unlikely event that repairs are required, DCM Surfaces liability is limited to re-establishing the integrity of the surface as fit for purpose only. We cannot accept complaints based purely on aesthetics and we cannot consider claims for consequential loss.

CONDITIONS OF THE GUARANTEE

- IMPORTANT! Failure to follow formal maintenance requirements or routine procedures.
 In order to maintain the porosity of the product, it is strongly recommended to keep the surface clear of debris. Please refer to the maintenance of Rubber-Gravel information. Damage to the surface caused by high point loading, vandalism or abnormal uses, forces of nature and fair wear and tear are not covered.
- Defects in the underlying surface which did not form part of the DCM contract.
 Please refer to the build up sheet. The use of sub-bases other than MOT type 1 stone or macadam will affect warranty conditions.
- UV Stability
 The use of aromatic polyurethane binder may affect the finished colour of the gravel.
- Edging
 Please refer to the Edging information.
